

1. HOW TO OPEN A TRADITIONAL OR ROTH IRA

Thank you for opening an IRA with Weitz Funds. Read carefully the IRA Disclosure Statement and the Individual Retirement Account document along with the prospectus. Please complete the IRA Application and sign. If you wish to open more than one IRA account, you will need to complete an IRA Application for each account.

Mail the application to Weitz Funds at the address below. Make checks payable to **UMB Bank, n.a.** Please note, the minimum initial investment amounts that are listed by each fund.

2. HOW TO COMPLETE A TRANSFER/ROLLOVER

The term transfer refers to moving assets from your IRA at another institution directly to a Weitz Funds IRA. A Direct Rollover is the movement of assets directly from a qualified plan to a Traditional IRA ONLY. Indirect rollovers occur when you receive an eligible rollover paid directly to you, and then within 60 days, you roll the distribution into an IRA.

- A. Complete all pages of the IRA application, providing your signature and date.
- B. Complete the Transfer/Rollover form. Include the current Custodian's or your plan administrator's mailing address and phone number. Contact your current Custodian to obtain their requirements for transferring funds, some require a signature guarantee or other documentation.

Also include a copy of your most recent statement or specific account information with the current IRA Custodian/Trustee.

- C. Mail the Transfer/Rollover form and the completed IRA application to Weitz Funds at the address below.

Please note: If you are taking a distribution from a qualified plan and would like to directly rollover such assets to an IRA, you are required to roll the assets into a Traditional IRA Rollover account. If you also want to convert your Traditional IRA Rollover into a Roth IRA, please contact us at the number listed below to request a conversion form.

3. FINANCIAL DISCLOSURE

Your IRA contribution will be used to purchase shares of Weitz Funds. Weitz Funds are offered by prospectus only. Important Information About Procedures for Opening an IRA Account

To help the government fight the funding of terrorism and money laundering activities, Federal law requires all financial institutions, including Weitz Funds (the "Funds"), to obtain, verify and record information that identifies each customer (as defined in the Department of Treasury's Customer Identification Program for Mutual Funds) who opens an account, and to determine whether such person's name appears on government lists of known or suspected terrorists and terrorist organizations.

What this means for you: the Funds must obtain the following information for each customer prior to opening the account:

- Name;
- Date of birth;
- Physical residential address (not post office boxes); and
- Social Security Number.

Following receipt of your information, the Funds will follow its Customer Identification Program to attempt to verify a customer's identity. You may be asked to provide certain other documentation (such as a driver's license or a passport) in order to verify your identity. Any documents requested in connection with the opening of an account will be utilized solely to establish the identity of customers in accordance with the requirements of law.

Federal law prohibits the Funds and other financial institutions from opening accounts unless the minimum identifying information is received. The Funds are also required to verify the identity of the new customer under the Funds' Customer Identification Program and may be required to not open your account, close your account or take other steps as they deem reasonable if the Funds are unable to verify your identity.

If an account is closed, it will be redeemed at the net asset value determined on the redemption date.
