Medallion Signature Guarantee (Affix stamp here)

A signature guarantee must be obtained from an institution participating in the Securities Transfer Agent Medallion Program. Such institutions typically include commercial banks that are FDIC members, trust companies and member firms of a domestic stock exchange. "STAMP 2000 MEDALLION IMPRINTS" is the only form of signature guarantee that will be accepted. Please note that a Notary Public is not an eligible guarantor.

DOCUMENT WITH MEDALLION SIGNATURE GUARANTEE MUST BE MAILED.
