**CREATE A NEW HOUSEHOLD RELATIONSHIP**

When multiple statements are sent to the same address, you can request that they be joined together to create a new “household relationship” and be grouped together for mailing purposes. Account statements will remain separate but will be mailed in a single envelope.

**Note:** The first account listed will be the registration that is used in the mail window.

I would like to request the following accounts be householded for consolidated mailing:

Printed Name of Account Owner(s)	Signature of Account Owner(s)	Date
